## Let Us Launder YOUR CURTAINS.

Your curtains will need laundering this fall. The usage they have received and the dust they have absorbed during the summer makes them unfit to hang the entire winter. We wash them clean, without damaging them; we starch them just stiff enough to drape right and hold their shape; and we dry them perfectly square. Send your curtains to us, and you'll be pleasantly surprised by their appearance when we return them. Do it today.

An Old Friend In a New Place. To My Friends, Acquaintances and the Citizens of Palestine, Anderson and Adjoining Counties:

After an illness of nearly two years I have improved to an extent that allows me to resume my old love for the hardware business. Mr. Silliman

has kindly given me a place with him. One of the greatest pleasures to me in this life is to work. For sixty-six years I have been educated to the hardware business by the best farmers, contractors and mechanics in every line of Ohio, Missouri and Texas. My ears have been constantly open to catch the best suggestions as to the makes, quality, shape and style, as well as where to buy right. My experience has given me contact with the large factories of England, France, Germany and America. The combined experience of Mr. Silliman, Mr. Frank Eason, Mr. A. G. Noblin and Mr. Clarence Avery is more than one hundred years. Dull indeed we would have been if we had not learned where to get the best at the lowest possible price. The stock is very large and embraces probably a greater assortment than any house in East Texas, such as doors, sash and building material, and all kinds of lime, cement, barbed wire, hog and poultry netting, the celebrated Mound City Paint, also wall paper, plows and a great variety of agricultural tools. The stock of hardware, tools, cutlery, etc., just embraces everything in those lines; the whole stock is bought right and for cash, and will be sold at rock bottom prices. An honest, truthful, square deal to ladies, gentlemen, girls and boys. I will be pleased and delighted to renew the pleasant relations that existed with you for fifteen years. We will all be true to your interest in all things.

Respectfully,  
R. H. Jordan.

What Would You Do? In case of a burn or scald what would you do to relieve the pain? Such injuries are liable to occur in any family and everyone should be prepared for them. Chamberlain's Salve applied on a soft cloth will relieve the pain almost instantly, and unless the injury is a very severe one, will cause the parts to heal without leaving a scar. For sale by Bratton Drug Co.

from a disordered condition of the stomach, and can be cured by taking Chamberlain's Stomach and Liver Tablets. Get a free sample at the Bratton's drug store and try it.

## BREWERS' GENEROSITY

May Be Curbed In Western Pennsylvania—Quo Warranto Proceedings Before Attorney General.

(Herald Special.) Harrisburg, Pa., Nov. 19.—Whether or not the big breweries in Pittsburgh and other sections of western Pennsylvania shall be allowed to increase their liquor traffic by giving ice away to favored customers, or by selling it at low rates, is to be determined by the quo warranto proceedings which came up for hearing today before Attorney General J. Hampton Todd. The suits are the outgrowth of a decision rendered a short time ago by Deputy Attorney General Cunningham, in which he held that breweries cannot sell, or otherwise dispose of any surplus ice, although they can, of course, manufacture it for their own use. Just who is behind the new suits is not known, but it is generally supposed to be a move on the part of the temperance forces to further restrain the liquor traffic.

Tenderness or aching in the small of the back is a serious symptom. The kidneys are suffering. Take Prickly Ash Bitters at once. It is a reliable kidney remedy and system regulator and will cure the trouble before it develops its dangerous stage. John R. Hearne & Co., Special Agents.

Troops Go to Cherry. Springfield, Ill., Nov. 16.—Following the request of Sheriff Skoglund of Bureau county for troops to guard the burning St. Paul mine, Acting Adjutant General Frank Dickson immediately arranged by telegraph for the mustering and transportation of militia to Cherry. A special train was ordered to carry two companies of soldiers from Galesburg and one company from Kewanee.
